

**MEMORANDUM CIRCULAR**  
**NO. 08-09-86**

**SUBJECT: REGISTRATION OF TRANSCEIVERS/TRANSMITTER**

In order not unduly delay the processing of pending applications for permits or licenses covering radio transceivers/transmitters and their accessories and to prevent the proliferation of unregistered radio equipment, it is hereby directed that all transceivers/transmitters acquired shall be registered with the Commission on or before October 31, 1986, Registration fees shall be, as follows:

- I. For VHF & UHF Transceivers
  - a. Portable P 300/unit
  - b. Mobile/Base P 500/unit
  
- II. For HF Transmitter/Transceivers
  - a. Lower Power P 500/unit
  - b. Medium Power P 700/unit
  - c. High Power P 900/unit

For the above purpose, power shall refer to the equipment's rated power, as follows:

- 1. Low Power Below 50 watts
- 2. Medium Power 50 watts & above but below 500 watts
- 3. High Power 500 watts & above

Registration of any equipment shall not be construed to be an authority to possess, construct or operate. The registrant therefore, is still obligated to apply for the necessary permits and licenses in order to legally possess, install and operate said equipment and/or their accessories.

The registration of the above equipment shall also be without prejudice to the payment of duties and taxes that the Bureau of Customs or the Bureau of Internal Revenue may impose and/or such action as the letter offices may take against any registrant.

This Memorandum shall take effect immediately.

Quezon City, Philippines.

**ROSAURO V. SIBAL**  
Acting Commissioner
