

MEMORANDUM CIRCULAR
NO. 12-13-85

**SUBJECT: RENEWAL OF RADIO STATION LICENSES TO THE
NATIONAL TELECOMMUNICATIONS COMMISSION**

To effectively and efficiently monitor and manage the use of the radio frequency spectrum, a limited natural resources, the National Telecommunications Commission (NTC) us undertaking a Radio Frequency Management Project. The Project, therefore, aims to rationalize and restructure the usage of the radio frequency spectrum with the end in view of installing a computer-based information processing system. This will constitute and be known as the National Frequency Master File which shall serve as basis for processing renewals and new applications.

To this end, the renewal period of Radio Station Licenses of all users of radio frequencies issued by the Commission prior to the approval of this Circular are hereby **ADVANCED** following the schedule hereunder:

- **FIXED/LAND MOBILE SERVICE**
February 01, 1986 to June 30, 1986

- **MARITIME, AERONAUTICAL AND AMATEUR SERVICES**
July 01, 1986 to August 31, 1986

This Circular shall not concern itself with frequency authorizations under the following classification: (1) Broadcast; (2) Common Carriers; (3) Military which will be covered by a separate Circular.

Since the National Frequency Master File shall be the sole basis for processing renewals and new applicants, as well as all other frequency authorization, licenses, who fail to comply with this Circular shall upon the expiration of their licenses be treated as new applicants.

Your compliance is directed.

Quezon City, Philippines, 16 December 1985.

(SGD) CEFERINO S. CARREON
Commissioner
