

MEMORANDUM CIRCULAR
NO. 23-89

**SUBJECT: INSPECTION AND CONFISCATION OF RADIO TRANSCEIVERS
BY MILITARY PERSONNEL**

The National Telecommunications Commission has been receiving complaints from various sectors regarding the conduct of some military personnel allegedly inspecting and confiscating radio transceivers, including those, which are properly covered by NTC licenses and permits.

The Commission would like the public to know that this may be the handiwork of renegade soldiers who may be out to obtain communication equipment's and at the same time discredit the Armed Forces of the Philippines and the Government under Her Excellency Pres. Corazon C. Aquino.

We advise the public and those persons with legal licenses/permits to report immediately such activities to the National Telecommunications Commission or to the appropriate Military Regional Command/

This Circular shall take effect immediately.

Quezon City, Philippines, December 23, 1989.
